

THE END OF WINTER

Siren Theatre Co (Australia)

The End of Winter is a rich imaginative story which asks: will climate change erase winter leaving it to exist only in fairy tales, paintings, and historical accounts?

Set

We need to hang a back curtain on a wire - we can determine the position on a plan prior to bump in

Other elements include

- 6m x 6 m high shine tarquette floor (supplied)
- a house prop (supplied)
- hand props (supplied)
- Low fog haser (supplied)
- Projector (supplied)

Lighting - We can work with a standard rig

Can work with a 2/3 color wash with back light – see generic plan

3 specials to be focussed on house

Back light(s) for curtain

If working in a prosc arch venue we will supply a lighting plan

If working in a town hall we will supply all equipment

Audio Specs

1x DPA 4061 Radio Mic & Receiver Kit [Can be supplied.]

1x MacBook Pro Show Laptop (w/ QLab Pro Audio License) [Can be supplied.]

1x MOTU 828 Audio Interface (or similar) [Can be supplied.]

FOH L/R or L/C/R Venue Speaker System

Surround OR Rear L/R Additional Venue Speaker System (If available.)

The venue only really needs a FOH Left & Right setup, but rear or surround additional speakers would be preferable if possible.
