**Essential FAQs**

Stage Floor must be flat and uncarpeted.

Stage Floor – the smallest we have worked on is 5 metres wide and 3 metres deep. We cannot go smaller but comfortably sits in a larger venue.

**Set**

We will hang a black curtain to back the production if there isn't one in the space already - we can determine the position on a plan prior to bump in (supplied)

Other elements include:

- Wardrobe on wheels (supplied)
- Single bed on wheels (supplied)
- Picture frame hung within a frame on wheels (supplied)
- Hanging light bulb in caged (supplied)
- hand props (supplied)

**Lighting - We can work with a standard rig**

Can work with a 2/3 color wash with back light

3 specials to be focussed

Back light(s) for curtain

Footlights

If working in a prosc arch venue, we will supply a lighting plan
